

FINANCING WITH FLORIDA SOLAR

FLORIDA SOLAR

The immediate and long-term financial benefits of switching to solar power make these renewable energy systems a great investment, but they can be a sizeable upfront cost. There are three primary ways to pay for solar including cash purchase, a solar loan, or a solar lease/power purchase agreement (PPA).

How does Florida Solar compare to other solar companies? Below you will find some of the **benefits of working with Florida Solar** and how other companies lack when it comes to financing.
